Logistics

The transport and logistics sector in Würzburg takes care of regional as well as national forwarding tasks. And don't forget the advantageous traffic linkage to international procurement and sales markets. However, the local logistics market does not limit itself carrying out transport jobs but provides a multitude of complementary services. VS Logistics, for example, renders special services for storage of hazardous materials.

[Geis-Gruppe](#)

Franconian Geis group provides the complete service package: from Europe-wide road services to worldwide air and sea services to complex contract logistics. Besides their site in Kürnach, the Bad Neustadt based enterprise does business from another 86 locations within Europe.

[Kraftverkehr Nagel GmbH & Co. KG](#)

At the Würzburg subsidiary of food logistics company Nagel, 140 employees handle group freight services, direct transport and warehousing services. Conveniently situated near the German A3 and A7 freeways, the company provides a sorting and warehouse area of about 6 square meters and different temperature zones for the different types of food.

[TNT Express GmbH](#)

TNT Express is one of the leading providers of express services for businesses and employs 4,000 people at 31 sites in Germany. Managed by Jan-Oliver Schneider, the location in Lower Franconia with its 89 employees and 50 drivers handle more than 570,000 consignments per year.

[VS Logistics](#)

VS Logistics has been based in Würzburg since 1932. The medium-sized company operates on more than 150,000 square meters of its warehouse space. The site in Würzburg specializes in hazardous materials storage prescribed in the ordinance on industrial accidents (12th ordinance on the protection against harmful effects on the environment). A network of their own vehicles and transport partners assures customer-tailored, Europe-wide distribution.
