

Würzburg lies in the heart of Germany and Europe

Here three of the most important federal freeways, the A 3, A 7 and A 81, intersect.

Three international airports plus a regional district airport are located within a radius of 150 km (93 miles).

As ICE rail intersection, city and region provide excellent rail links.

The river Main connects Würzburg to the European network of waterways – equally important for the transport of bulk goods cruise tourists.

In a linked transport system, public transport has been organized in exemplary fashion not only in the city but also in the wh
