Convention Center with panoramic views

Located in the heart of the city of Würzburg and right next to the river Main, the Congress Centrum Würzburg (CCW) offers spectacular views to the Festung Marienberg. Together with its brand new panorama level, the atmosphere is more than inspiring.

Flexibility of rooms.

Due to the connectivity of most of the rooms, the conference center is highly flexible to your requirements and allows different ways of using the center (meetings, presentations, exhibitions, concerts, events...)

Renowned Location.

The Congress Center Wuerzburg has hosted countless national and international conventions, scientific conferences, banquets, receptions and cultural events. The university of Würzburg and many internationally operating companies underline Würzburg's reputation as renowned conference location in Germany.

Meet and sleep.

The conference center is directly connected with the Maritim Hotel and its 287 rooms and suites. Other hotels in all categories are in easy reach (many of them in walking distance) to the CCW.
