Weingut am Stein Ludwig Knoll

Right in the middle of the world-famous vineyard Würzburger Stein the Weingut am Stein has operated for five generations; today Sandra Knoll currently manages it.

The “WeinWerk am Stein” is a place for meeting people, learning, classes, and tasting of the wines from the cellar below the vineyard. When visitors visit the “Weinwerk” to experience the modern architecture and the new philosophy of making wine.

The youthful owners will offer interested guests more than just the traditional wines. You will not only taste wine, but you will also experience it in all its diversity. The philosophy of the winery includes combining wine and food with an emphasis on the total experience of wine as an art form.
