The Unique Würzburg Flair

Why is Würzburg so popular? Many people come visit time and time again, not because of the location alongside the Main River and the ease of getting here. No, it has everything to do with the unique atmosphere that simply makes you feel good. It's a special mix of culture and ambiance, of world heritage and wine festivals, of modern and classical music, of avant-garde and age-old traditions, of sciences and party atmosphere that makes this town so popular. The stunning historical architecture provides the perfect setting for everything Würzburg has to offer. There are many hotels and restaurants that are looking forward to your visit. – Enjoy the Franconian wine, a glass of Franconian sparkling wine and other culinary treats from the region.

City Hall, Cathedral of St. Kilian

Alte Mainbrücke, Fortress Marienberg

The Residenz Palace – A UNESCO World Cultural Heritage Site

Balthasar Neumann, Europe's greatest architect of the Baroque era, built the Residence Palace. This former home of the prince bishops of Würzburg is nicknamed "the castle above all castles." The grand staircase of the Residence Palace is deemed the most beautiful staircase in the world. Other renowned artists whose names are inextricably linked to this lovely city on the Main river are Tilman Riemenschneider and Giovanni Battista Tiepolo.

UNESCO World Heritage Site Residence Palace

Almost Like Hollywood but Real: The Towers of Würzburg

Würzburg is not a fake movie backdrop but a real, vibrant city. The view from the Fortress Marienberg across the many towers rising above the city – the cathedral, the Marienkapelle, the town hall, and the Käppele – is breathtaking and unforgettable.

The Museums: Visit, Experience, and Learn

At the Museum für Franken, you find a large collection of works by Tilman Riemenschneider. The Museum am Dom offers a unique collection of modern and contemporary art. The award-winning Museum im Kulturspeicher offers Concrete Art in a truly extraordinary setting. If you are interested in items from the antiquity, then visit the Martin von Wagner Museum. There is something here for any interest!

Museum am Dom

Fascinating Tradition: Franconian Wine, the Bocksbeutel and Typical Restaurants

Our recommendation: Quaint restaurants and traditional wine taverns offering local fare. Of course, you can also opt for international cuisine at five star restaurants. And don't forget that this is one of the best wine-growing areas in Germany. So don't miss the opportunity to sample a local wine from a Bocksbeutel bottle. This should be a mandatory part of any visit... For an up-close experience of the Franconian joie de vivre, visit one of the many local wine festivals, tour a wine cellar or participate in a wine tasting.

STRAMU street art festival

One in Four Residents is a College Student

Würzburg is home to about 36,000 college students. Wilhelm Conrad Röntgen once studied here and discovered X-rays that have transformed our lives. In 1901, he was awarded the Nobel Prize in Physics for his work. There are a total of 14 Nobel Prize winners that once studied and lectured at the university and helped further its excellent reputation. The University of Applied Sciences Würzburg-Schweinfurt offers more than 40 different Diplomas, Bachelor's and Master's degree programs. The University of Music Würzburg has produced many well-known musicians, among them the world-famous singers Waltraud Meier and Diana Damrau.

Photo left: The first X-ray shows the hand of Albert von Koelliker.

A Unique Setting: Mozart Meets Mozambique

Are you looking for classical music or African drum beats? We have got you covered! The Africa Festival in Würzburg is the largest African Culture Festival in Europe and Würzburg also hosts the acclaimed Mozart Festival, an outstanding classical music concert series. If you need more: There is the International Film Weekend, the STRAMU street art festival, the Bach Days, to name just a few.

Getting Here Is Easy: We are Located in the Heart of Europe

As much as locals enjoy the Franconian heritage, they also take advantage of the easy access to the rest of Europe. Würzburg sits at the crossroads of numerous new and old traffic routes. Three major interstate highways intersect here: Autobahn A3 Cologne – Würzburg – Munich, Autobahn A7 Hamburg – Würzburg – Ulm, and Autobahn A81 Stuttgart – Heilbronn – Würzburg. Furthermore, there are 350 train departures daily, 70 of which are high-speed trains, and you are only an hour's drive from Frankfurt International Airport. If you like the water, you can take a boat trip on the Main river to Sommerhausen or a leisurely cruise to Veitshöchheim and the most beautiful Rococo garden in all of Europe. Since the Rhine-Danube canal opened, the Main river has taken off as a boat-touring destination. In 2019 about 1,000 river cruises stopped in Würzburg. And don't forget to explore the scenic Romantic Road. There is no shortage of great options here.

The anniversary year wants to mobilise: Numerous initiatives from all cultural and social areas of Würzburg and the surrounding area, from school classes to international companies,

will make Mozart's identity-creating power effective and tangible. The diverse range of programmes on offer in this anniversary season will be enriched by an interdisciplinary exhibition at the Martin von Wagner Museum, which focuses on the perspective of the fine arts on Mozart. Further nationwide attractions include exclusive opera productions and the Mozart Requiem as a dance version. A series of lectures with renowned speakers with the title "Wie viel Mozart braucht der Mensch?" ("How much Mozart does man need?") explores the value of art and culture.

Directly by the Cathedral of St. Kilian, 1000 years of history of the cathedral will come alive in the Cathedral Treasury: beginning with the shrine, the cathedral's inventory of relics, via the cathedral liturgy to the bishops and the cathedral chapter, various aspects of the cathedral are on display and explained. The two door-puller lions dating from around 1040 and the golden Greiffenklau monstrance from 1710 are particularly outstanding.

The interactive science exhibition Touch Science at the Didactics Center MIND of the University of Würzburg brings science to life. Race through the city on the Einstein bicycle at almost the speed of light, or look deep into the interior of various objects with the help of X-rays – 125 years ago Wilhelm Conrad Röntgen discovered the radiation named after him in Würzburg! A special challenge awaits you in the exhibition area „How does man work?“. Compete against yourself and outbid your own best value. How long can you hold your breath? How fast do you react? How sensitive is your hearing? The fascinating question: What do all these data reveal about you as a person? Find out! On an area of 350 sq m, the interactive displays of the exhibition create a wide variety of possibilities to understand scientific contexts.

Guided Tours with a Topic

Medieval Würzburg

The topic of this guided tour is Würzburg in the Middle Ages. You will learn about guilds and brotherhoods while walking the streets around market square where the craftsmen used to live. At the Cathedral of St. Kilian you get to marvel at several sculptures by Tilman Riemenschneider. Then the tour takes you past Riemenschneider's former residence to the Alte Mainbrücke (Old Main River Bridge) and the fabulous views of the vineyards and the Fortress Marienberg. You will learn many interesting facts about medieval life and the peasants' wars. Also covered will be minnesong since the remains of the famous minnesinger Walther von der Vogelweide are said to rest in the Lusamgärtlein at the Neumünster.

Jewish Life in Würzburg

Würzburg has been home to citizens of Jewish faith for more than 900 years. In the Middle Ages, Würzburg was an important center of Jewish faith and philosophy thanks to the Talmud School and its rabbis. In the following centuries times of persecution happened periodically. In the 17th century, the prince-bishops evicted Jews from the city and surrounding areas and it was not until the 19th century that a Jewish community got reestablished in Würzburg. The Nazi dictatorship eclipsed with the deportation of Jews to concentration camps. Today, the Jewish community of Würzburg is again 1100 members strong. The guided tour provides an overview of the religion and history of Würzburg's Jews and visits important sights of town, such as the Juliuspital and the Marienkapelle.

Women in Würzburg

Some of Würzburg's female residents have become famous well past the city limits. Well known names include Emy Roeder, Gertraud Rostosky and Margret Boveri. Many others have not come to fame. Yet all of them have helped shape the city, whether they did laundry, sold goods on the markets, were persecuted as witches or revered as nuns. The guided tour visits many of the famous sights of town and uncovers many little known surprises.

Witch-Hunts in Würzburg

Witch-hunts did take place in Würzburg. The height of the persecution was reached in the early 17th century when women were burned en masse. In those days, any citizen – regardless of gender or status – was subject to libel, which could mean death. The guided tour visits historical sights such as the cathedral of St. Kilian, the Neumünster, and the town hall to illustrate the religious and secular causes of the witch-hunts of the 17th century.

The Mainviertel – Würzburg's Oldest Part of Town

To this day, you can experience a piece of the original Würzburg in the Main- or Burkarderviertel. Historically, this is where the fishermen and craftspeople used to live. The guided tour takes you to the Deutschhauskirche (founded in the 12th century by the Order of Teutonic Knights), the former Hofspital (hospital) and the romanic/gothic era Burkarderkirche. Burkard, the first bishop of Würzburg erected a Benedictine monastery at this location in the 8th century. Also located in the Mainviertel is the first creation by Balthasar Neumann. Last but not least, explore the remnants of a 17th century water canal and its lock. The canal allowed larger vessels to avoid the smaller lock at the Alte Mainbrücke (Old Main River Bridge).

Chain reaction – Nothing for loners

Our team building activity “chain reaction” depends on team spirit, precision and creativity. Equipped with hammer, nails, tape, ropes, boards, pipes and much more, you build a large course through which a ball must roll completely. To do this, teams are first formed, which then take care of the various stages of construction. There are no limits to creativity because the most important thing is to achieve the common goal. Special aids, such as cordless screwdrivers or cable ties can be earned by solving additional tricky riddles. At the end there is an angled, several meters long track, which only works if the strategy is right, the agreements are clear and the cooperation in the own team as well as with the other teams runs smoothly. Speaking of running... of course there is also a time limit.

Vineyard Rally

Allow yourself to be captivated by the picturesque vineyard in and around Würzburg. We actively provide insights into the Franconian wine tradition and the treasures of the vintner. We welcome you with a glass of Franconian sparkling wine in the renowned vineyard locations of Würzburg. We form teams of up to 10 people. Self-appointed team names increase the group cohesion. The questionnaire which is handed out to the teams contains knowledge questions regarding the subject of wine. Discover stations in the vineyards where creativity and team spirit is required. You will be challenged by stone transportation, pipelines and the construction of an observation tower in the vineyard. At the Sensorium, all senses such as sight, smell, and taste are sharpened and tested on the subject of wine. At the end of the rally, the scripts are evaluated and each participant of the winning team receives a certificate. Price incl. a welcome Secco and wine-tasting station (3 vine varieties) 1 bottle per team.

City and Fortress Rally Würzburg

Excellent group activity that leads participant teams through the historical city. Teams face questions concerning history and colloquialisms as well as tasks that need to be accomplished. Along the way, historical characters point the teams in the right direction and provide guidance. At the activity stations, members can prove their agility, creativity, poetic prowess as well as knightly discipline. Team spirit is a must in order to collect bonus points. The winning team will be honored at a final ceremony. Included in the price is: Rallye director, well-designed materials, a knight, a storyteller, a maid, a minstrel or other historical personality. Activity stations for dressing like a knight, crossbow or bow and arrow, and a final ceremony. Upon request, food and drink can be included as well. We can recommend excellent cozy taverns with historical courtyards.

Wooden Kart Team Challenge

Construction, creativity, strategy, fun! Experience this extraordinary team action with your co-workers, colleagues, or as a private group. The teams set up their own racing team (e.g. product reference/department), design their racing overalls, design and build their wooden kart. Each team eagerly awaits victory – however, only he or she who does not slip up in the pit lane wins the race. This event takes place in the sense of team spirit, creativity and goal-oriented actions. 1. Team spirit is needed. Individual vehicles can be built with our wooden kart kits. The components can be screwed together or put together in almost any way. 2. Creativity is needed. The racing overalls are individually designed by the teams. 3. Targeted action is needed. Points are awarded not only for the race victory, but also for the constructors' championship. The design of the vehicles and the racing overalls are equally important factors. Experience this unique team-building programme with your group.

The Hunt for Mr. X

Get to know Würzburg actively. This exciting action game is based on the board game “Scotland Yard hunts Mr. X”. Help us to catch the escaped villain, but be careful – he is extremely dangerous, and the arrest is only legally binding through the procurement of his Mr. X label. He is on foot. Keep an eye out! First gather information in the training camp of Scotland Yard before you set off in pursuit with your team. Several of the tasks originate from the field of team-building and can only be solved with team spirit. The pursuit lasts max. 2.5 to 3 hours. If he is not caught in this time, then he has won and is free. X feels very safe; he does not hide, but he may use side streets.

Raft construction in the team

Our raft construction team event is always a mix of team training, role-sharing amongst colleagues and a high fun factor in the great outdoors. Grow beyond yourself within the team and improve your collaboration. In small groups of 5–8 participants, we plan, build and test the self-made rafts. Create unique rafts out of barrels, ropes, boards and lots of good ideas, spontaneity and creativity. Teamwork is needed because the more efficiently you work with your colleagues, the better the result. After the construction phase is over, the rafts go to water. Do the knots hold? Does it float? If the raft is buoyant, the participants are ready for the race. Usually, this is followed by a wild chase on the water, combined with action packed tasks that can only be solved together as a team.

Segway City Tour Würzburg

This is quite a different way to sightsee! Be right at the centre of the action and ‘experience’ absolutely unprecedented impressions. A Segway guide will instruct you on the Segway and the route, too, and will then take you on a really exciting city tour which is a great combination of strolling, driving fun and new perspectives! Available as a private excursion, company event or for special occasions.

Würzburg with the Nightwatchman

The Würzburg Night Watchman is an original of the city. In historical costume and carrying a lantern, he leads guests around the romantic corners of Würzburg every evening whilst telling amusing stories and anecdotes from the rich historical past of this episcopal city.

Würzburg with "Schorsch"

Experience a Würzburg city tour of a special kind – cheerful, amusing, entertaining, informative and, at the same time, cabaret. "Schorsch" a typical Würzburg citizen, leads visitors with wit and charm through the alleys of the old town from the town hall to St. Kilian's and around the market square with the Marienkapelle. On request, you can also visit the Residence Palace. "Schorsch" brings Würzburg's history to life and makes for an unforgettable experience.

Through the Franconian Land of Milk and Honey

True to the motto "the Franconian is what he eats", you will go on a foray through Franconian cuisine with the night watchman or the "Schorsch", a typical Würzburg citizen. Start in the Ratskeller or in the Sternbäck with a Franconian must soup. Enjoy spicy sausages at Alte Mainmühle, a Franconian wedding dinner in the Weinhaus Stachel or in the Maulaffenbäck and afterwards indulge in something sweet in the Martinsklause or in the Alter Kranen: apple cakes with vanilla sauce. Last but not least, round off the evening with a glass of wine in the Nachtwächter-Stübli or in the Hockerle of the Bürgerspital. During this culinary tour the night watchman or the Schorsch tells you interesting and fun facts about the Franconian cuisine and the localities. An unforgettable and culinary delight!

Franconian Wine

Wine and hiking, cellar tour and culture, indulgence and going for a walk: Franconia has some of the best things to offer. You can choose between a big, historical wine estate such as the Staatlicher Hofkeller and a small family-operated winery, between an up-and-coming new wine grower and a traditional, worldclass wine estate. Wine, in all its colors and taste variations, simply is the number one topic here. The best introduction to Franconian wine is a cellar tour or a wine tasting. Maybe you and your group prefer to visit one of the many local wine festivals. But don't forget to enjoy the unique atmosphere of the "Brückenschoppen" on the Alte Mainbrücke (Old Main River Bridge) drinking a glass of wine, or two. And the traditional Franconian wine bottle is the Bocksbeutel – it makes a great souvenir.

Wine Estate Bürgerspital Zum Heiligen Geist

Top quality, tradition and modernity – this is what the more than 700 year-old winery in Franconia stands for. The Riesling, Silvaner and Burgundy grape varieties are mainly grown on the 120 hectares of vineyards and are filled in Bocksbeutel. The most precious treasure is the unique vineyards, especially the Würzburger Stein and the Stein-Harfe. "For us, as Bürgerspital citizens, the greatest motivation is to get the best out of these vineyards and to produce distinctive wines that bear our signature". The winery itself is part of the Bürgerspital foundation zum Hl. Geist, the original foundation purpose of which was the care of those in need, continues to this day. This social commitment is supported by a contribution which is made for every bottle of wine sold.

Cellar Tours

You can learn everything you have ever wanted to know about wine during the Bürgerspital's public guided tours. The tour through the 700-year-old winery reveals the entire process, starting from the grape to the bottling into the Bocksbeutel (traditional Franconian wine bottle): Beginning at the wine press hall, through the cellar with modern stainless steel tanks to one of the most beautiful and oldest oak barrel cellars in Germany. It is a sight which delights, because it is here that the best wines mature. You need to give yourself some time out and travel back to 1540. The oldest authentic white wine in the world rests in the treasure chambers of the Bürgerspital. At the end of the tour, you will receive a small Bocksbeutel, which you can enjoy at home.

WineWorld Juliuspital

The charitable foundation, Juliuspital in Würzburg, was founded in 1576 by prince-bishop Julius Echter. The winery is part of this foundation and has always used the revenues to finance social projects. The cadre for the wine's individuality lies in 180 hectares of vineyard properties in the most famous wine region in Franconia. Maximum value is placed on respecting nature – sustainability for the vines and responsibility for future generations.

Cellar Tours and Wine Tastings

Wine is a cultural treasure and wine consumption is a joy. Experience both during a 90-minute tour of the Juliuspital wine estate. Take a trip through more than 440 years of (wine) history and get an inside view of one of the largest wineries in Germany. Weingut am Stein Ludwig Knoll

Wine is passion, zest for life, and has accompanied the Knoll family for five generations. Since 1980 Ludwig and Sandra Knoll have been leading the winery in the midst of the famous vineyard site at the Würzburger Stein with a unique view over the wine metropolis. They cultivate wines of the highest quality on renowned steep slopes. In addition to the unique Steinkeller, the Stettener Stein, a true amphitheater of nature, has also grown into one of their areas of expertise. The vineyards are cultivated biodynamically and the grape quality grows in harmony with nature. The basis for the quality of the wines is the vineyard. A dialogue between innovation & tradition is not only expressed by the wines but also by the modern architecture.

Weingut A. Fesel

The Weingut Fesel is located right outside Würzburg, surrounded by nature. It cultivates twelve different grape varieties on seven hectares. So it can offer a great variety of wines, with something for everybody. Wine and cellar master Stefan Fesel is a second-generation owner, now in charge of the winery. He is committed to natural grape cultivation, ecological wine production, high quality and superb taste.

Weingut Reiss

This innovative family run winery is located in Würzburg-Unterdürnbach. Modern and elegant wines from classic grape varieties are presented, with a focus on their show variety of Silvaner. In addition, the „new ways“ of wine ageing, such as the mash fermentation or ageing in amphorae, are a source of great interest and enthusiasm and these emotions are passed on to the customers through the wine. As well as wine tastings, guests will find an extensive program of events, such as cellar and vineyard tours, wine seminars, culinary tastings and individual tours of Würzburg – an allround program that will make your visit an impressive and memorable experience. Individual visitors are warmly invited to enjoy tastings in the new vinotheque.

The Würzburger Stein – Wine Cultivation, Ecology, City from Above

Goethe had the Stein wine shipped to his home in Weimar. Hospitals and other charitable foundations are financed through this wine. Hike with a guide through the world renowned appellation and learn about wine cultivation, ecology and the history of Würzburg. The view of the city from here is simply breathtaking.

One of the most attractive bicycle regions in Germany can be explored by bike on "Romantic Road" trail. Enjoy pedaling alongside the Tauber River, the Fränkische Saale River, or through the Werntal Valley. How about a tour from the Main River to the Neuschwanstein Castle? Are you ready?

Bicycling Bliss on the Main-Radweg

Long-Distance Bike Path Romantic Road

There can't possibly be a better way to experience Germany's best known and most popular route than by bicycle! Würzburg is the gateway to the Romantic Road and its many highlights: There are the towns of Rothenburg with its entrance gates and fortified towers, the romantic town of Dinkelsbühl, Augsburg, the city of the Fugger, the world famous Wieskirche, the fairy-tale castle Neuschwanstein. Then there is the wildly romantic valley of the Tauber river, an ancient meteor crater near Nördlingen, as well as the impressive views of the Ammergau Alps. Bicycle away from traffic on designated bike paths or lightly traveled secondary roads. Ride alongside the rivers Main, Tauber, Würnitz, and Lech. There are no mountains here or highly aerobic ascends. Cities as well as small towns along the way offer many options for nourishment and an overnight stay. The 460 km long trail from Würzburg to Füssen is well marked and suitable for families with children.

The Perfect Day for Foodies

Tangy wines and tasty beers. Diverse regional cuisine and creative chefs with smart ideas: Würzburg is a wonderful place for foodies. Discover old-established “Bäcks” as well as hip bars and wineries. Try Franconian specialities or innovative fusion dishes. The range is huge: from vegan curries and Mexican tacos to hearty “Schäufele” – Würzburg makes gourmets happy.

Our suggestions

9 am Breakfast

A relaxed breakfast in a café is a nice alternative to a hotel breakfast. There is no lack of possibilities in the university town of Würzburg. Popular addresses include “Café Wunschlos Glück”, “Café Fred”, “Unicafé” or “Jules” with French flair. For breakfast with lots of local colour you can enjoy the “Marktcfé Brandstetter”, famous for its delicious “Hörnchen” (the Würzburg version of a croissant), or the “Kaffeehaus Michel” with its large selection of delicious cakes.

10 am Stroll around the food market

At Würzburg’s farmers’ and speciality market, which was first documented no later than in the 14th century, you will find delicacies from regional production, fruit and vegetables from daily fresh harvests and, of course, fine cheeses, meat and sausage products, all handmade with love and care.

10:30 am Self-guided walking tour of the Old Town

From the market it is only a few steps to the “Falkenhaus” with its characteristic Rococo façade. Download the Würzburg audio guide to your smartphone free of charge from www.wuerzburg.de/25128 and start your self-guided walking tour to many of Würzburg’s noteworthy sights from there.

12:30 pm Lunch

Around Market Square there are some of the most popular restaurants serving Franconian specialities, including the “Würzburger Ratskeller”, “Weinhaus Stachel”, “Alte Mainmühle” or “Backöfele”. In addition to Franconian classics such as “Schäufele” or “Blaue Zipfel”, a variety of daily specials are also tempting. If all you need is a snack, do it like the locals and go to the Bratwurst stand “Knüpfung” to get a “Geknickte mit Senf” (bratwurst with mustard).

2 pm Individual wine tasting or cellar tour?

With the Würzburg Wine Pass (see page 64) you can discover some of Würzburg’s most beautiful wine bars and wine taverns individually: by yourself, as a couple or with friends, no reservations required. You choose five out of seven partner outlets and get to taste 1 glass of Franconian wine at each of them. From Friday to Sunday, the major wineries also offer interesting cellar tours. Details on pages 33 to 38.

7 pm Dine in style

For a classy dinner with excellent cuisine, Würzburg has a number of restaurants to choose from, including “Der Reiser” (1 Michelin star), “Kuno 1408”, “Glouglou”, “Bürgerspital Weinstuben” or “Steinburgs Restaurant” at “Schlosshotel Steinburg”. The hotel’s own Culinarium can even be booked exclusively for cooking events for up to 22 people.

The Perfect Day for Culture Fans

World-class architecture, attractive museums embracing the period from antiquity to modern times, renowned music festivals, a lively theatre scene – Würzburg’s cultural offerings are extraordinarily diverse and always good for a surprise. Let our suggestions for your perfect day inspire you.

Our suggestions

9 am Breakfast

An excellent breakfast at the hotel or in one of the many breakfast cafés gives you the energy you need to enjoy a day full of cultural highlights.

10 am Private sightseeing tour

With a certified tour guide (book at www.wuerzburg.de/groups) you will discover some of the most beautiful sights of Würzburg’s Old Town on a private guided tour and learn a lot of interesting facts about Würzburg’s history and present. On your route you will see, for example, the “Falkenhaus” with its impressive Rococo façade, the “Marienkapelle” church, the “Lusamgärtchen” garden and “St. Kilian” cathedral. Your tour guide will be happy to take your main interests into account and will determine the exact route with you. Recommendation: The “Museum am Dom”, with its fascinating concept is located directly next to the cathedral: works of art from different eras are placed in exciting context to each other.

1 pm Lunch

Enjoy a hearty lunch in a typical Franconian restaurant.

2 pm Explore the “Alter Hafen” cultural district

Spend the afternoon exploring Würzburg’s cultural district “Alter Hafen” (Old Harbour) north of the “Friedensbrücke” bridge. The “Museum im Kulturspeicher”, the “BBK Gallery” and the art ship “Arte Noah” attract visitors with an exciting exhibition program. On your way, make sure you take a look at the “Augustinerkirche” church on Dominikanerplatz and let the contemporary interior design work its magic on you. No less impressive: the Fraunhofer Institute ISC building on Neunerplatz, designed by Zaha Hadid Architects.

6.30 pm Dinner and concert

After dinner at a restaurant of your choice, look forward to a visit of a concert at the “Mainfranken Theater”, Würzburg’s most renowned theater, or at the University for Music. “Omnibus” is famous for Jazz, Blues and Rock concerts, Café Cairo is a popular venue for alternative music.

Terms of Accommodation and Agency

Congress · Tourismus · Würzburg, proprietary operation of the City of Würzburg and referred to in the following as “CTW” for short, arranges accommodation for guests in lodging establishments, hereinafter referred to collectively as „Host“, in the Fränkische Weinland (Franconian Wine Country) region according to availability. If effectively agreed, the following terms and conditions will form integral content of the accommodation/ lodging contract coming into being between the Guest and the Host and, supplementarily to the relevant legal provisions, govern the contractual relationship between the Guest and Host and the agency activity of CTW. For these reasons you are kindly requested to carefully read through these Terms of Accommodation and Agency.

1. Status of CTW, applicability of these terms and conditions

Subject to the calendar date on which an accommodation contract is concluded (pursuant to the provisions of the new statutory travel law which comes into effect as of 1 July 2017) the following shall apply:

1.1. In relation to accommodation service contracts which are concluded prior to 1 July 2018, the following shall apply:

a) CTW operates various websites and publishes certain host directories which list hosts and their respective accommodation facilities. Moreover, if and to the extent that CTW brokers accommodation services, it acts as an agent. In no event however, shall CTW act or be deemed to act as a travel package tour operator or principal party to a contractual relationship regarding the provision of accommodation services when accommodation services are booked. Accordingly, CTW shall under no circumstances be held liable for information provided or specifications made by any hosts as regards prices and services, nor with respect to the provision of services themselves, nor in relation to alleged deficiencies in connection with the provision of services.

b) CTW's liability as an agent for accommodation services as well as any liabilities based on statutory law, especially on the basis of compulsory provisions in relation to tele-services and business contracts that are concluded electronically shall remain unaffected.

1.2. In relation to accommodation service contracts which are concluded later than 30 June 2018, the following shall apply:

a) CTW operates various websites and publishes certain host directories, brochures, flyers and other print media or online publications, where CTW is clearly indicated as being the editor of such publications.

b) Moreover, in relation to any accommodation services which are offered together with certain ancillary services (e.g. accommodation and catering), CTW shall only act as an agent in relation to an accommodation service on behalf of such host if the value of the ancillary services provided together with the accommodation service does not represent a substantial part of the total value of services provided by the host and, if these ancillary services do not constitute a material characteristic of such service offered by the host and has also not been advertised as such.

c) CTW shall act as an agent of combined travel services, if a combination of travel services offered by CTW fulfils the pre-requisites as defined in the statutory provisions of Section 651w of the German Civil Code.

d) Notwithstanding CTW's statutory obligations when offering combined travel services (especially with respect to due delivery to the Guest of the information forms as provided by statutory law, and due provision of security in relation to customer payments in the event that CTW collects any Guest payments) and notwithstanding moreover the consequences provided by statutory law in case CTW should fail to observe its respective statutory obligations, CTW shall, provided it duly fulfils the pre-requisites as outlined in lit b) and c) above, act neither as a travel package tour operator nor as the Guest's contract partner in relation to any accommodation contract concluded. CTW shall thus not be liable in relation to any information provided by the host as regards prices or services nor in relation to the due provision of services as such nor in relation to any service deficiencies. CTW's liability as an agent for accommodation services as well as any liabilities based on statutory law, especially on the basis of compulsory provisions in relation to tele-services and business contracts that are concluded electronically shall remain unaffected.

1.3. Possible liabilities of CTW resulting from the provision of brokerage services as well as liabilities applicable under statutory law, especially compulsory provisions pertaining to tele-services and e-commerce remain unaffected by the aforementioned exclusion of CTW's liability.

1.4. These Terms and Conditions (if and as far as validly agreed upon) shall apply to the contractual relationship regarding the provision of accommodation services which have been booked on the basis of the host directories, brochures or internet advertisements as published by CTW.

2. Conclusion of contract, travel agencies, details and information in hotel guides

2.1. On making the booking, the Guest offers to enter into a binding contract for accommodation with the Host. This offer is based on the description of the accommodation and the supplementary basic booking information (e.g. description of location, classification details, information found on the relevant website) to the extent that these are available to the Guest.

2.2. Bookings may be made verbally, in writing, by telephone, by fax, or electronically (E-Mail, Internet). Electronic bookings are confirmed to the Guest electronically immediately on placement.

2.3. The contract shall come into force upon receipt of the acceptance declaration (confirmation of booking) on the part of the Host or CTW. This acceptance declaration need take no prescribed form, so even verbal or telephoned confirmation is legally binding for Guest and Host. As a rule, the Host or CTW as its representative will additionally send a written copy of the booking confirmation to the Guest.

2.4. Should the Host or CTW provide a special offer at the Guest's request or that of the Booking Party, this shall, in deviation from the above provisions, constitute a binding contractual offer on the part of the Host to the Guest or Booking Party as applicable. In such cases, the contract shall come into force without requiring corresponding confirmation from the Host or CTW if the Guest or the Booking Party accepts this offer without reservations, changes or additions within the period prescribed in the offer by way of declaration, downpayment, final payment or use of the accommodation.

2.5 In accordance with the applicable obligations as provided by law, the Guest is herewith duly informed that pursuant to the relevant legislative provisions (as stipulated in section 312g paragraph 2 sentence 1 no. 9 of the German Civil Code) the following applies: The Guest shall have no right to object a contractual relationship concluded for the purposes of providing accommodation services, that has been concluded remotely (i.e. by way of letter, brochure, telephone, facsimile, email, via text messages as well as

by way of broadcasting services via radio or TV): In such cases the Guest's rights are limited to the statutory provisions applicable in the event of rental services not being utilized (section 537 of the German Civil Code). In this respect, please refer also to the provisions stipulated in Article 6 hereunder). The Guest does however have a right to object if the contractual relationship relating to the provision of accommodation services has been concluded outside of business premises, unless however, either one of the aforementioned constellations applies or the oral negotiations on the basis of which the contractual relationship was concluded, were conducted following the Guest's respective request. In such cases the Guest shall have no right to object.

3. Prices and services

3.1. The prices indicated in the brochure are net prices and in-clude statutory value added tax and all additional expenses unless indicated otherwise with regard to such additional costs. Additional charges might be made for optional or supplementary services.

3.2. The services to be provided by the Host are defined solely in the booking confirmation in connection with the valid brochure or property description as well as any supplementary agreements specifically concluded with the Guest/Booking Party. The Guest/Booking Party is advised to make any additional agreement in written text.

4. Payment

4.1. The time at which downpayments and final payments fall due is based on the corresponding arrangement agreed with the Guest or Booking Party and indicated in the booking confirmation. In the absence of any such agreement, the entire price of accommodation including additional costs and services shall fall due at the end of the Guest's stay and accordingly be paid to the Host.

4.2 In the case of stays of more than one week, the Host may bill and request payment for the days of accommodation already provided and additional services rendered (e.g. catering services not included in the accommodation price, beverages, etc. from the minibar).

4.3 Even if not expressly indicated in the booking confirmation, the Host may, unless agreed otherwise in the individual case, request a downpayment amounting to 20 percent of the total price.

4.4 Payment in foreign currencies and by collection – only checks is not possible. Payment by credit card will only be possible by

arrangement or if generally offered by the Host by means of displayed notice. Payment at the end of the stay may not be made by bank transfer.

4.5 Should the Guest fail to make an agreed downpayment in part or in whole despite having received a reminder from the Host in which an additional deadline has been set, the Host shall – insofar as he himself is ready and able to render the contractual services and to the extent that the Guest has no legal or contractual right of retention against the Host – have entitlement to withdraw from the contract with the Guest and charge the latter a cancellation fee in accordance with Section 5 below.

5. Cancellation and no-show

5.1. In the case of cancellation the Host shall remain entitled to payment of the agreed price of the stay, including the cost of board and any payments due for additional services.

5.2. Within the framework of its normal business activities, the Host, while not being subject to any obligation to undertake any special efforts, is obligated to seek alternative occupation of the booked accommodation, with account being taken of the specific character of said accommodation (e.g. non-smoking room, family room).

5.3. The Host is obligated to deduct from the aforementioned claim the amount earned through alternative use of the room, as well as any expenses not incurred.

5.4. As per the percentage rates prescribed by law for the assessment of non-incurred expenses, The Guest or Booking Party is obligated to pay the Host the following amounts, based in each case on the total price of the accommodation services (including all additional expenses):

- For accommodation without board 90%
- For bed and breakfast 80%
- For half board 70%
- For full board 60%

5.5. The Guest/Booking Party expressly retains the right to substantiate to the Host that the cancellation costs saved by the latter are considerably higher than the above charges or that alternative use was found for the accommodation services in question. In such case the Guest/Booking Party will then only be obligated to pay the lower amount.

5.6. We strongly recommend the conclusion of a travel cancellation insurance policy.

5.7. For booking processing-related reasons the notice of cancellation is to be addressed to the Host and not to CTW and, in the Guest's interests, should be made in written text.

6. Arrival and departure

6.1. The Guest should arrive on the agreed date by 6:00 pm at the latest without any necessity for a special agreement in this respect.

6.2. The Guest is obligated to notify the Host – not CTW – of any delay in arrival no later than the agreed time of arrival. The Guest's failure to give such notification will entitle but not oblige the Host to seek other occupants for the accommodation in question.

6.3 The Guest should leave the accommodation at the latest by 12:00 midday on the date of departure agreed and indicated in the booking confirmation, without any special agreement being necessary in this respect. The Guest's failure to vacate the accommodation punctually will entitle the Host to demand extra payment. The Host reserves the right to assert further claims for damages in such instance.

7. Guest's obligations, bringing of animals, cancellation by the Host

7.1. The Guest is obligated to use the accommodation and its facilities and all of the Host's facilities for their intended purposes only and with care and in accordance with any rules of usage which might exist, (e.g. in connection with a swimming pool and sauna).

7.2. The Guest is obligated to notify the Host without delay of any defects and malfunctions and remediation thereof. Solely notifying CTW will be insufficient, and culpable failure to lodge complaint could result in any claims by the Guest becoming partially or wholly invalid.

7.3. The Guest may only cancel the contract in the event of significant defects or malfunctions. Before doing so, the Guest shall within the framework of the notice of complaint first set the Host a reasonable deadline for remediation unless such remediation is not possible, or is refused by the Host, or if immediate cancellation is materially justified by a special interest of the Guest which is evident to the Host, or if such reasons make a continuation of the stay objectively unreasonable from the Guest's point of view.

7.4. The bringing into and keeping of pets in the accommodation will only be possible if expressly agreed beforehand or provided for in the tender. Within the framework of such agreement the Guest is obligated to provide true and accurate information as to type and size. Infringements against this provision can entitle the Host to extraordinary cancellation of the accommodation contract.

8. Liability

8.1. The contractual liability of the Host for non-physical damages is limited to three times the price of the stay, to the extent that damages to the Guest were caused neither wilfully nor by gross negligence on the part of the Host and to the extent that the Host is responsible for damage arising to the Guest solely as a result of a vicarious agent's negligence.

8.2. This provision shall have no bearing on any innkeeper's liability for deposited objects as per Article 701 et seq. of the German Civil Code.

8.3 The Host shall not be liable for any disruption in connection with services clearly provided by third parties to and merely arranged for by the Host for the Guest/Booking Party during the period of lodging (e.g. sports events, theatre visits, exhibitions etc.). This also applies to third-party services already arranged for in conjunction with the booking to the extent that these are expressly identified as such in the tender or booking confirmation.

9. Statutory limitation

9.1. Contractual claims on the part of the Guest/Booking Party against the Host or CTW arising from injury to life, limb or health, including contractual claims for compensation based on negligent breach of duty on the part of the Host or CTW or on wilful or negligent breach of duty by their legal representatives or vicarious agents will be subject to a period of limitation of three years. This also applies to claims for reimbursement for other damage arising from grossly negligent breach of duty on the part of the Host or CTW or from wilful or grossly negligent breach of duty by their legal representatives or vicarious agents.

9.2. Any and all other contractual claims will be subject to a period of limitation of one year.

9.3. The period of limitation as per the foregoing provisions shall in each case commence at the end of the year in which the claim was asserted and in which the Guest/Booking Party became aware of circumstances which justify such claim and in which the Host or CTW became aware of their liability or should have become aware thereof had it not been for gross negligence.

9.4. If negotiations are in progress between the tourist and the Host and/or CTW in respect of lodged claims or the circumstances upon which the claim is based, the period of limitation shall be suspended until such time as the Guest or the Host and/or CTW refuse

to continue with the negotiations. The afore-said period of limitation of one year shall become effective no earlier than three months after said suspension.

10. Alternative settlement of disputes; Applicable law; Place of jurisdiction

10.1 With respect to the newly introduced legislation regulating the settlement of consumer disputes (Gesetz über Verbraucherstreitbeilegung) CTW advises herewith that neither CTW nor the Host currently participate in any such voluntary settlement programme. In the event that the participation in such a programme became obligatory in the further course after printing and publishing these terms and conditions, CTW/ the host shall duly inform their Guests accordingly. In relation to all contractual relationships concluded electronically, CTW Guest/ the Host makes reference herewith to the European dispute settlement platform <http://ec.europa.eu/consumers/odr/>.

10.2. The contractual relationship between the Guest/Booking Party and the Host or CTW shall be governed exclusively by German law. The same shall apply to other legal relationships between the parties.

10.3. The Guest or Booking Party may only take legal action against the Host or CTW at their place of registered domicile.

10.4. As regards legal actions on the part of the Host or CTW against the Guest or Booking Party, the latter's domicile shall be authoritative. The place of jurisdiction shall be the place of registered domicile of the Host as regards legal actions against guests or booking parties who are business persons, legal entities under public or private law or persons who live/whose place of business or usual place of residence is abroad or whose domicile/place of business or usual place of residence is unknown at the time of commencement of the action.

10.5. The aforementioned provisions shall not apply if and to the extent that other mandatory European Union provisions or other international provisions are applicable.

Conditions for Reservations and Contracts for Guided Tours:

City of Würzburg Congress · Tourismus · Würzburg (CTW) and Tour Guides Würzburg

Dear Guests,

The following terms of contract on the one hand regulate the legal relationship between Congress · Tourismus · Würzburg, a proprietary operation of the City of Würzburg and referred to in the following as "CTW", and yourself, referred to in the following as "Customer" or, as applicable, with the person/institution booking the guided tour. On the other hand, they regulate the legal relationship between you and the tour guide arranged for by CTW. To the extent that they are effectively referred to and included therein, these Terms of Contract shall form integral content of the Contract of Service coming into force between yourself and the respective tour guide in the event of your booking. For these reasons you are kindly requested to carefully read through these terms and conditions.

1. Position of CTW

1.1. CTW offers both regular group tours available to the general public and non-regular private group tours (for individual groups).

a) In the case of regular group tours open to the public, CTW is the responsible provider of the tour guide services and is, therefore, the sole contractual partner of the booking guest or client of the tour guide.

b) In the case of non-regular private group tours (individual groups), CTW acts only as an intermediary between the tour guest or client and the tour guide.

1.2. To the extent that the following provisions of these General Terms and Conditions apply solely to the "tour guide", without expressly differentiating in this respect between regular group tours open to the public on the one hand and non-regular private group tours (individual groups) on the other, these provisions,

a) therefore, relate, in the case of regular public group tours, to CTW as the provider responsible for performance and contractual partner of the booking guest or client of the tour guide service

b) in the case of non-regular private group tours (individual groups), to the tour guide as arranged by CTW in each case.

1.3. If, in addition to the tour guides, CTW arranges further services (either as a provider responsible for performance or as a tour guide agent), the following applies: CTW has the position of a provider of CTW's associated travel services to the extent that the conditions for travel services associated with an offer are fulfilled in accordance with the legal requirements of § 651w BGB (German Civil Code).

1.4. The following applies in the case of regular public group tours: Irrespective of the obligations of CTW as a provider of associated travel services (in particular, the transfer of the form required by law and execution of the protection of customer deposits in the event of collection by CTW) and the legal consequences of non-fulfilment of these legal obligations, CTW is not a tour operator, subject to any deviating express agreement in this regard.

1.5. The following applies in the case of non-regular private group tours (individual groups): CTW is not a contractual partner in the contract that is concluded via the tour guide upon booking. In the case of such orders, CTW is, therefore, not liable for information about prices and services, the provision of the service itself or performance defects in connection with the tour guide. This does not apply to the extent that the tour guide is a contractually agreed service included in a package holiday or another offer where CTW is a direct contractual partner of the guest or client. Any liability of CTW arising from the agency contract and statutory provisions, in particular, in accordance with mandatory provisions regarding telemedia and electronic commerce, remain unaffected.

2. Status of the tour guide, applicable legal provisions

2.1. The legal relationship between the tour guide and Customer—or, as applicable, the party booking the guided tour—shall be primarily governed by the agreements conclu-

ded with the tour guide complementarily to these terms of contract and alternatively to the legal provisions set down in Article 611 et seq. of the German Civil Code relating to contracts for the provision of services.

2.2 Unless otherwise provided for under mandatory international or European law, the entire legal and contractual relationship with the tour guide and CTW shall be exclusively subject to the law of the Federal Republic of Germany.

3. Conclusion of contract, position of group client

3.1. By booking, which can take place in writing, by fax, email or on the internet, the guest or client bindingly offers

a) CTW as the provider responsible for performance, in the case of the following applies in the case of regular public group tours;

b) the respective tour guide, in turn represented by CTW as a legal representative in the case of non-regular private group tours (individual groups), the conclusion of a service contract on the basis of the service description for the respective tour guide and these contractual terms and conditions.

3.2. If the booking is made by a third party referred to in these terms and conditions as a "corporate client", i.e. an institution or company (private group, community college, school class, club, bus company, tour operator, incentive or event agency, travel agency), this client is

a) the contractual partner of CTW as the sole client within the scope of the service contract in the case of regular public group tours;

b) the contractual partner of CTW as the sole client within the scope of the agency contract or the tour guide within the scope of the service contract in the case of non-regular private group tours (individual groups), unless the corporate client acts as the legal representative of the future participant as expressly stipulated in the concluded agreement. In such cases, the corporate client is fully liable for payment in connection with the agreed fee or any cancellation costs.

3.3. If it is expressly agreed that the corporate client is making the booking as a legal representative of the future participant, the latter is personally and directly responsible for all obligations of the future participant, to the extent that it has accepted these obligations in an express and separate statement.

3.4. The service contract regarding the tour guide is concluded upon confirmation, which CTW a) shall submit in its own name in the case of regular public group tours;

b) shall submit as a representative of the tour guide in the case of non-regular private group tours (individual groups).

No specific form is required. As a rule, CTW will send the guest or client a written copy of the booking confirmation, except in the case of very short-term bookings. In the case of binding bookings made on the phone at very short notice, the legal effectiveness of the contract depends on the receipt of the written copy of the booking confirmation and any agreed advance payment.

3.5. The following applies in the case of bookings made on the internet with regard to the conclusion of contract:

a) The guest or client makes the tour guide a binding offer and simultaneously grants CTW the agency order by clicking the button "pay to book"

• in the case of regular public group tours by CTW as the provider responsible for performance of the tour guide services;

• the tour guide in the case of non-regular private group tours (individual groups).

b) The guest receives an immediate email confirmation from CTW that the booking has been received.

c) The transfer of the contractual offer by clicking on the "pay to book" button does not constitute a claim of the guest or the client for the conclusion of a service contract

• in the case of regular public group tours by CTW as the provider responsible for performance of the tour guide services. CTW is free to decide whether to accept the guest's or client's offer to conclude a contract;

• in the case of non-regular private group tours (individual groups) with the tour guide in accordance with the booking details. The person guiding the tour or CTW as their representative is in fact free to decide whether to accept the guest's or client's offer to conclude a contract.

d) The contract is concluded upon receipt of the booking confirmation by the guest or client, which CTW

• shall submit in its own name in the case of regular public group tours and

• as an intermediary and representative of the tour guide in the case of non-regular private group tours (individual groups).

3.6. CTW draws attention to the fact that, in accordance with the statutory provisions (§ 312g(2) 1 no. 9 BGB), in the case of contracts regarding guided tours as contracts for services in connection with recreational activities that are concluded via distance selling (letters, catalogues, telephone calls, faxes, emails, SMS, radio or telemedia), there is no right of revocation and only the statutory provisions regarding the non-utilisation of services (§§ 611 et seq., 615 BGB) apply (see also Clauses 6 and 7 of these General Terms and Conditions). However, there is a right of revocation if the contract is not concluded via distance selling but is concluded off-premises, unless the verbal negotiations forming the basis of the conclusion of contract were conducted in response to a previous order of the consumer; in the latter case, there is also no right of revocation.

4. Services to be performed, right of substitution

4.1. Services to be provided by the tour guide comprise performance of the guided tour in accordance with the specifications and any additional agreements.

4.2. Unless expressly agreed otherwise, the performance of the guided tour is not owed by a specific tour guide but instead by one selected by CTW on the basis of having the necessary qualifications.

4.3. Even if a specific tour guide has been personally named and booked, CTW reserves the right in the event of his justified inability to conduct the tour, (in particular due to illness) to substitute him with another suitably qualified tour guide.

4.4. The scope of duties owed shall derive from the specifications and any additional agreements. Any third-party information and warranties (especially from travel agencies, hotels, transport companies) on the scope of the contractual services in deviation from the specifications or the agreements made with CTW and/or with the tour guide shall not be binding upon CTW and the tour guide.

4.5. Any changes or amendments to the contractually offered services shall require an explicit agreement with CTW.

4.6. Changes to essential services in deviation from the agreed content of the contract that become necessary after the conclusion of the contract (especially also changes in the tour schedule) and were not brought about by the tour guide contrary to the principles of good faith shall be admissible to the extent that the changes are insignificant and do not relevantly impair the overall concept of the tour.

4.7. Details on tour duration are of an approximate nature.

5. Prices and payment

5.1. Agreed prices include the performance of the guided tour and additionally offered or agreed services.

5.2. Admission fees, catering expenses, as well as costs on public and private transport, city maps, leaflets, museum guides, tour costs within the framework of the visited sights included in the guided tours are only included in the agreed price if these are specifically listed as guided tour services or additionally agreed.

5.3. The following applies in the case of regular public group tours:

a) Unless expressly agreed otherwise, the agreed fee is due for payment immediately after receipt of the booking confirmation in accordance with Clause 3.

b) If the guest does not pay the fee in accordance with the agreed payment deadlines, although CTW is prepared and able to provide the contractually agreed tour guide services and the guest has no statutory or contractual right of set-off or retention, and if the guest is responsible for the payment delay, CTW is entitled to withdraw from the guest tour guide contract following a warning with a deadline and after the expiry of this deadline and may charge the guest any withdrawal costs in accordance with Clauses 6 and 7.

5.4. The following applies in the case of non-regular private group tours (individual groups):

a) At the beginning and/or end of the tour

guide services outside of Würzburg inner city, the tour guide is entitled to claim reimbursement of travel costs and a fee to cover additional time.

b) Unless agreed otherwise, in particular, with regard to a down payment or full advance payment, the agreed fee is due for payment at the start of the tour. Cheques and credit cards are not accepted. If agreed with the tour guide, payment may be made against invoice. In this case, the invoice amount is due for payment immediately and without deduction and is to be paid to the tour guide.

c) If the tour guide is prepared and able to provide the agreed services and the guest or client has no statutory or contractual right of set-off or retention, they are not entitled to claim the agreed services without full payment before the beginning of the tour.

d) The tour guide's fee may include VAT if the tour guide is required to pay tax. Tour guides are usually small businesses and exempt from VAT (§ 19 BGB).

e) The maximum number of participants per tour guide in the case of journeys, e.g. to the Franconian wine country or along the Romantic Road is 50 people, while for city tours (including combined bus round trips/foot tours) the maximum number is 30 people. The participant number is 50 people for city tours.

f) Unless expressly agreed otherwise, if the number of participants on a tour exceeds an agreed number or the ratio of 30 people per tour guide, the tour guide is entitled to seek the assistance of an additional tour guide. Irrespective of the extent by which the agreed number of participants is exceeded, such further tour guide shall be entitled to full remuneration in accordance with the respectively valid rate. The original and additional tour guide are entitled to, in their sole discretion, decide how the group shall be divided between them. In the event that, upon commencement of the guided tour, the agreed number of participants is exceeded and an additional guide is not available, the original tour guide shall be entitled to a remuneration of one and a half the amount of the respectively valid rate.

g) In the event that, prior to commencement of the guided tour, it becomes apparent that the agreed number of participants is exceeded and an additional guide is not available, the original tour guide shall be entitled to a remuneration of one and a half the amount of the respectively valid rate.

h) In the event that, prior to commencement of the guided tour, it becomes apparent that the agreed number of participants is exceeded and an additional guide is not available, the original tour guide shall be entitled to a remuneration of one and a half the amount of the respectively valid rate.

6. Failure to use ordered services

6.1. There shall be no entitlement to any reimbursement of payments which have already been made if the Customer or the booking party does not use the agreed services either in whole or in part for reasons for which the tour guide or CTW cannot be held responsible and even though the tour guide is ready and able to provide the services.

6.2. The agreed remuneration shall be subject to the corresponding statutory regulations (§ 615 paragraphs 1 and 2 of the German Civil Code BGB):

a) The agreed remuneration is to be paid without entitlement to any Annex 1 subsequent performance of the guided tour at a later point in time.

b) The tour guide shall, however, allow any expenses not incurred as result of said failure to take part in the guided tour to be deducted from the remuneration as well as any remuneration he obtains or maliciously refrains from obtaining through placement elsewhere of agreed services.

7. Cancellation, withdrawal and change of booking by the Customer or booking party

7.1. The guest or the client may cancel the order up to and including the fourth working day (Monday to Friday) before the agreed date free of charge. Cancellation is possible by fax (+49 (0)9 31 / 37 36 52) or email (service@wuerzburg.de) during the business hours of the CTW main office (Monday to Thursday 8:30h to 17:00h, Friday 8:30h to 13:00h). It must be confirmed in writing or text form (fax or email).

7.2. The following applies in the event of cancellation at a later date by the guest or client:

a) Reference is made to the provisions of Clause 6.2 for regular public group bookings. A cancellation booking amounting to the full agreed fee is usually charged in such cases, less any saved included fees in accordance with Clause 5.2. No further deduc-

tions are usually made as a result of use of the agreed guide services by other individuals due to the fact that these are public tour guide services.

b) Reference is also made to the provisions of Clause 6.2 for non-regular private group tours (individual groups). A cancellation booking amounting to the agreed fee is usually charged following deduction of any saved included fees in accordance with Clause 5.2. Any further deductions are usually only made as a result of use of the agreed guide services by other individuals if the specifically agreed tour guide services are able to be used for another purpose.

c) In this case, the tour guide must directly invoice the guest or corporate client for the cancellation fee.

7.3. If applicable, the Customer or booking party shall have entitlement to furnish proof that the tour guide has suffered no loss or that the loss sustained is less than the invoiced amount.

7.4. Changes of booking (change of date, time, tour route/schedule and of any essential services and modalities involved in the guided tour) may be made, free of charge, up to the fourth working day before the agreed date of performance, after which it will only be possible to make changes by cancelling the booking in accordance with the above conditions and subsequently making a new booking. Such changes shall not be considered valid until confirmed in writing by CTW.

8. Liability of CTW and the tour guide

8.1. Reference is made to Clauses 1.3 and 1.5 of these terms and conditions with regard to the liability of CTW as a private group tour intermediary.

8.2. To the extent that CTW acts as a provider responsible for performance of regular public group tours, the liability of the tour guide and CTW is excluded for damages that are not caused by the violation of a material obligation, the fulfilment of which makes the proper execution of the tour guide contract possible, or the violation of which jeopardises the achievement of the purpose of the contract or results from the injury to the life, body or health of the guest, to the extent that the damages were not caused by the tour guide, its legal representatives or vicarious agents, either intentionally or as a result of gross negligence.

8.3. The tour guide or CTW as the provider responsible for performance of regular public group tours is not liable for the services, measures or omissions of catering establishments, institutions, sightseeing venues or any other services visited within the context of the tour, unless the damage is caused by or partially caused by a culpable breach of duty on the part of the tour guide or of CTW.

9. Tour times

9.1. The following applies in the case of regular public group tours: Agreed tour times must be adhered to punctually. If the guest is late without this being the fault of the tour guide or CTW, the tour guide service is deemed to have started at the agreed beginning of the service with no further waiting, in consideration of the other tour participants. The guest or client is not entitled to a discount due to partial non-fulfilment in this case.

9.2. The following applies in the case of non-regular private group tours (individual groups):

a) When making the booking or in a timely manner before the agreed tour date, the guest or corporate client will be asked to provide a mobile phone number so that they can be contacted in the event of extraordinary circumstances. CTW usually also provides the guest or a nominated individual with the corresponding mobile phone number of the tour guide providing the tour.

b) Agreed tour times shall be strictly adhered to. If subject to any delay, the Customer shall accordingly notify the tour guide at latest by the agreed time of the guided tour's commencement and indicate the probable time of arrival. The tour guide may refuse to postpone the tour's time of commencement if such postponement is objectively impossible or unreasonable, in particular if subsequent tours or other compelling business or private appointments of the tour guide cannot be kept as a result. Generally speaking, any postponements over 30 minutes shall entitle the tour guide to cancel the tour. The tour guide's entitlement

to payment shall remain, and the provision set down in Section 6 shall apply correspondingly. In such case the tour guide will invoice the Customer or booking party directly.

9.3 If the tour begins late due to circumstances that are not the fault of

a) either the tour guide

b) or CTW as the provider responsible for performance of regular public group tours,

c) and which are also not the fault of CTW within the scope of the arrangement of non-regular private tour guides due to a violation of the intermediary obligations,

there is generally no entitlement to claim an extension of the tourtime. This does not affect any claims of the guest due to partial non-fulfilment of the tour guide services, to the extent that the guest or client of the corporate client is not to blame for the delay.

In the event that a group arrives late for a guided tour, the tour guide and the guest or group's representative shall agree whether the guided tour shall be accordingly abbreviated or whether – provided the tour guide is available and has no other obligations – the guided tour service shall be provided in the full, originally agreed length. In such case, the tour guide's remuneration shall be calculated on the basis of the period of time resulting from the waiting time due to the delay plus the full length of the guided tour.

10. Obligation of the guest

10.1. Guests or group representatives shall be obliged to immediately report any service deficiencies of the guided tour or agreed services to the tour guide and demand remedy of same. Any guest claims possibly resulting from deficient or non- or partially fulfilled services will be rejected if they have not been accordingly reported, unless the guest/group representative is not responsible for such failure to report due to a negligence on his/her part.

10.2. Guests/group representatives shall only be entitled to cancel or abandon guided tour services if the service of the tour guide is materially deficient and if such deficiencies, following their respectively due report are not remedied. In the event of any unjustified cancellation or abandonment of services the right to reimbursement of service rates paid shall be excluded.

10.3. Combined bus and walking tours, city tours by bus and bus travel services may only be provided in busses with functioning microphone systems and guide seats. Otherwise, the tour guide shall be entitled to reject provision of the guided tour services while his/her right to remuneration shall remain unaffected (the provisions of section 6.2 shall apply accordingly).

11. Insurances

11.1. Contractually agreed services shall only include insurance cover in favour of the Customer or booking party if specifically agreed accordingly.

11.2. The Customer or booking party is strongly advised to take out a travel cancellation insurance policy.

12. Accessibility of local sights and the special regulations relating thereto

12.1. CTW has no influence on the admission times of local sights, for which reason the time quoted in CTW's confirmation of order applies solely to the start of the tour and does NOT serve as guarantee of admission to a sight at that point.

12.2. Furthermore, CTW has no influence on the general accessibility on Sundays and public holidays of museums and public buildings, in particular churches (which might be closed for tours because of, for example, services, special events, etc.).

12.3. Würzburg's castle and garden management have established the following regulation in order to ensure smooth running tours of the Residence UNESCO World Heritage site: Groups consisting of less than 30 people may be "topped up" with other individual visitors even if a group has booked its own tour guide. There might be some admission waiting times in peak periods and during the guided tour.

13. Statute of limitation and alternative settlement of disputes

13.1. With respect to the newly introduced legislation regulating the settlement of consumer disputes (Gesetz über Verbrau-

cherstreitbeilegung), CTW duly informs the client herewith that it currently does not participate in any such voluntary settlement programme, unless specified otherwise within print or online advertisements published by the tour guides. In the event that the participation in such a programme became obligatory in the further course after printing and publishing these terms and conditions, CTW will duly inform its clients accordingly. In relation to all contractual relationships concluded electronically, CTW makes reference herewith to the European dispute settlement platform <http://ec.europa.eu/consumers/odr>.

13.2. Contractual claims on the part of the Customer/booking party against the tour guide or CTW arising from injury to life, limb or health, including contractual claims for compensation, that are based on said parties' negligent breach of duty or a deliberate or negligent breach of obligation on the part of their legal representatives or vicarious agents shall lapse after three years. This shall also apply to compensation claims for other damages that are based upon a grossly negligent breach of duty on the part of the tour guide and/or of CTW or based on a deliberate or grossly negligent breach of duty by their legal representatives or vicarious agents.

13.3. All other contractual claims shall lapse after one year.

13.4. The period of limitation as per the above provisions shall in each case begin as from the end of the year in which the claim arose and in which the Customer/booking party became aware of the circumstances upon which the claim is based and in which the tour guide and/or CTW as liable parties became aware of, with-out gross negligence on their part, had to become aware of said circumstances.

13.5. If negotiations are in progress between the Customer and the tour guide and/or CTW in respect of the claims lodged or the circumstances upon which the claim is based, the period if limitation shall be suspended until such time as the Customer or the tour guide and/or CTW refuses to continue with the negotiations. The aforementioned period of limitation of one year shall become effective three months after such suspension at the earliest.

14. Information about data processing

We use the data provided by you to confirm and process your booking as and to send you information and offers. For more information about the processing and storage and your rights as a data subject (in particular the right to obtain information and object) in our Data Protection Notice, which is available at all times at <https://www.wuerzburg.de/infos/datenschutzerklaerung> and at our office and which we would be happy to send to you.

15. Applicable law, place of jurisdiction

15.1. The entire contractual and legal relationship between CTW and the Customer or booking party as well as between the tour guide and the Customer is governed exclusively by the law of the Federal Republic of Germany.

15.2. Insofar as complete on-site payment to the tour guide is agreed, the place of performance and the place of jurisdiction shall be the place where the tour is carried out.

15.3. The Customer or booking party may only file a legal action against the tour guide or CTW at their general place of jurisdiction.

15.4. Unless the place of jurisdiction for the place of performance is justified, the authoritative place for legal action on the part of the tour guide and/or CTW against the Customer or booking party shall be the latter's general place of jurisdiction. If the booking party is a merchant within the meaning of the German Commercial Code or a public or private law legal entity, or if the Customer or booking party has no general place of jurisdiction in Germany, the exclusive place of jurisdiction for any claims of the tour guide or CTW shall be their place of residence or their principal place of business.

15.5. The above provisions on applicable law and the place of jurisdiction shall not apply if determined otherwise in favour of the Customer or booking party by EU regulations applicable to the contract with the tour guide.
